**If you forget to use
the reflective triangle**

**there's also
a first aid kit.**

**A map can
help with a
fork in the road.**

**Unless
it popped
your tire.**

**Eventually, your car
will break down.**

**And it might be
raining.**

**And there
might be
a swarm of bees.**

FLAPJACKS

now with fewer

JUMPING JACKS

same yummy, less tummy

PANCAKES

that are better for you?

they'll sell like

HOTCAKES

same yummy, less tummy

EXTRA FIBER

to help you digest the

EXTRA SYRUP

same yummy, less tummy

LUCILLE ^{and} DESI eventually called it **QUITS**

but **Lucy and Ricky**
are still going strong.

GILLIGAN NEVER ANYONE VOTES off the ISLAND

WE HAVE

to cross them out

ACTUAL
ENERGY

A stylized illustration of a person's silhouette in shades of beige and tan. In the upper left, a circular inset shows a glowing, swirling energy source in shades of pink, orange, and red. A green vine-like line connects this energy source to a bottle of Actual Energy at the bottom right. The bottle is green and yellow with the word 'ACTUAL' written vertically in black. The background is a light beige circle.

Add extra hours
to your day
Without stealing them
from your **night**
